OBJECTIVE

Aspiring software engineer with a strong foundation in computer science and a passion for solving complex problems through innovative solutions. Seeking an opportunity to leverage my skills in Java, web development, and problem-solving to contribute to a dynamic team while continuously learning and growing in a professional environment.

EDUCATION

Bachelor of Technology in Computer Science and Engineering   2022 – 2026
CMR ENGINEERING COLLEGE, UGC Autonomous   CGPA: 8.43

Intermediate (M.P.C)   2020 – 2022
KRISHNAVENI ARTS & SCIENCE JUNIOR COLLEGE   CGPA: 8.89 (84.46%)

Secondary School Certificate (SSC)   2019 – 2020
NEW LITTLE FLOWER (EM) SCHOOL   CGPA: 10.0

SKILLS

Programming Languages	Java (Core), C
Front-end Technologies	HTML, CSS, JavaScript
Version Control	Git, GitHub
Tools	Visual Studio Code, Google Gemini API, Canva

PROJECTS

Share To Live - Donation Website   2024
Mini Project   *CMR Engineering College*

· Developed a web-based donation platform to facilitate food, clothing, and essential donations.
· Used HTML, CSS, JavaScript, and Node.js for front-end and backend development.
· Integrated database connectivity to manage records efficiently, handling over 1,000 donations.
· Used routing algorithms to optimize logistics and reduce costs by 25%.
· Increased donor engagement by 20% with customized donation pages and multiple payment gateways.

AWS RDS CRUD Operations in a Banking App   2025
Mini Project   *CMR Engineering College*

· Developed a cloud-integrated banking application performing CRUD operations using AWS RDS and MySQL.
· Implemented backend using Flask and Python with MySQL Connector for real-time database interaction.
· Utilized AWS Free Tier services including RDS, EC2, and VPC for deployment and cloud networking.
· Ensured secure and scalable design with IAM, Multi-AZ support, and automated backups.
· Collaborated in a 4-member team under the guidance of Mrs. J. Manju Vani, Dept. of CSE.

CERTIFICATIONS

- SmartCoder – Smart Interviews (DSA)
- AI-ML Virtual Internship – Eduskills
- Fundamentals of Cybersecurity – Cisco (EDU-102)
